

Mark Rumlow

My name is Mark Rumlow and I would like to share a bit about my personal and professional life. My wife, Claudia Rourke, and I have lived in the Creekside Eaglebend community since February 2015.

I have two beautiful adult children who both went through Cherry Creek Schools and have graduated from The University of Colorado Boulder. I received my Bachelors of Science in Business Administration with a Minor in Mathematics. I currently reside as President of the Creekside Eaglebend HOA and Secretary for the Eagle Bend Metropolitan District. I have been in Colorado since 1992 and lived in the Park View Community from 1992 until 2015 where I was on their Board of Directors for 10 years as 'Member at large' and Treasure. I am a member of Lord of the Hills Lutheran Church and served a term as Vice President of the Church Council. I have been in the Manufacturing and Industrial Technologies Industry for 30 years, holding my current position at Kaman Industrial Technologies for the last 20 years.

I'm objective, reasonable, knowledgeable and I try my best to stay informed. I attend the Ward 6 City of Aurora meetings and before being on the Metro District board I attended their meetings as I am a concerned taxpayer. To me, it's about transparency, it's about sharing information so everyone can make the right decision or understand the decisions the board is making. I'm asking for the opportunity to continue to serve you, my fellow neighbors, while protecting and enhancing the assets of the Metro District so that we safeguard the investments of all.
