

Landscape Operations Monthly Report
Submitted by George Arellano July 25, 2013

Creekside Eagle Bend HOA

Phase 2 of the cost-share xeric project has been completed. Keesen Landscape has been paid in full (\$34,570). The project meet the requirements for the City’s rebate program so the District will receive \$3, 285.50. Payment from Creekside has been received in the amount of \$17,285. In addition, the fence staining project has been completed (\$5,000).

Heritage Eagle Bend Master Association

No information at this time.

Ridgeview HOA

Ridgeview is interested in a cost sharing xeriscape project. James Fletcher of PCMS will present to the Board Ridgeview’s ideas and plans for this project.

Demonstration Garden

As of Monday, July 23, 2013 TerraCare honored the existing warranty and replaced 284 plants and 2 trees! There are still some plants that will need to be replaced this summer. Crusher fines will be installed under all the benches because the grass is not thriving in these areas. The color is “grey breeze”. Landscape plans for the entrance of the demo garden have been revised with Director Tom Coker taking the lead on this specific part of the garden.

Landscape Budget 2014

I will begin working on the 2014 budget next month. Items/projects under consideration are: **1.)** tree replacement; **2.)** mulch installation at Demo Garden and three center medians on South Aurora Parkway; and ; **3.)** improving the drainage system within specific areas of the garden.
