**ADDITIONAL INFORMATION:**

**EB Marketplace:** I spoke with Kim Kopp w/Drake Management re: the EB Market Place sidewalk. The sidewalk was to be installed this spring/summer per their agreement. Ms. Kopp advised me there are no funds at this time to complete the sidewalk.

**EB Creekside Monument Project:** Completion scheduled within the next 2 weeks.

**EB Ridgeview Address Monument Project:** Project just started.

**COA Water Department Xeric Class (6.21.14):** Zach Versluis, Water Conservation Specialist with COA, presented a 1.5 hour class on xeriscaping for approximately 20 residents. He covered the following topics: Sun Safety, Creating a Plan, Accessing Free COA Consultations, Removing Grass/Weeds, Preparing the Site,

Planting, Irrigating (drip systems), Mulching, and Maintenance. Zach's handout entitled, "Xeriscape Start to Finish," included a comprehensive list of *approved* (COA rebate program) xeric plants. Compass Bank opened their doors and supplied coffee/water and pastries for all participants!
